

MANGO
DESIGN • FABRICATION • INSTALLATION

Furniture • Millwork • Fixtures

Mango is a full service fixture manufacturer specializing in exquisite design and construction. We fabricate and install High end projects for some of the most renowned companies in the cosmetic industry. These installations are located in top level stores located throughout the U.S. including Hawaii.

Our mission is to provide exceptional quality of value engineered products on time. We pride ourselves on precision workmanship and outstanding customer service. There is great value in understanding that each project we face needs creativity, ingenuity and perserverance to get it done properly.
